SAVE TIME AND MONEY

Are you tired of searching for job candidates only to find that they just don’t fit the bill? Do you have requirements for your employees like a driver’s license, state certification, and a high school diploma or high school equivalency credential?

**Job Corps can help.**

Streamline your recruitment and hiring process by letting Job Corps send you job candidates who are *trained in your industry* and meet your needs. And, our service is at no cost to you—saving you time and money, and ultimately *improving your bottom line.*

**WHAT IS JOB CORPS?**

Job Corps is a voluntary career training and education program that prepares young people ages 16 through 24 for careers in today’s job market. We train, educate, assist with job placement, and provide postgraduate support for students. Our curriculum is designed to *meet industry standards,* and our graduates have the *hands-on experience, education, and employability skills* that you want.

Job Corps serves approximately **60,000 young people** each year. Most students leave home to receive career training at one of our 125 locations across the country. After graduation, students have the opportunity to relocate or pursue local employment.

**Did you know** that by hiring a Job Corps graduate your business could be eligible for a federal *Work Opportunity Tax Credit*?
MEET YOUR NEXT EMPLOYEE

Job Corps graduates have the skills, training, education, and drive to become your next great employee.

When you hire a Job Corps graduate, your next employee will be ...

Dedicated.

Job Corps graduates have taken the initiative to attend Job Corps to gain the skills they need to succeed.

Experienced.

Job Corps graduates complete, on average, 8 to 12 months of career training and are eligible to receive credentials in their chosen career field.

Ready To Work.

Job Corps graduates have earned their high school diplomas or high school equivalency credentials, have experience working in teams, and know what it takes to be successful on the job.
A COMPREHENSIVE APPROACH TO CAREER TRAINING

Job Corps prepares its graduates for careers in 11 industries with training that goes far beyond the classroom. Our students learn by doing and apply the skills they learn in real work environments under the supervision of experienced instructors.

Job Corps offers more than just basic industry training. We help shape well-rounded employees who are focused, professional, and job-ready.

A good employee has more than just knowledge about his or her industry and the ability to perform the work. That’s why Job Corps also focuses on employability skills:

- Maintaining a professional appearance
- Being a team player
- Arriving on time
- Having respect for authority
- Being a good communicator
- Practicing critical-thinking and problem-solving skills
